

# Fast Track (Non-ATAR)

## PATHWAY:

- Fast track to employment is specifically designed to support students preparing to enter the workforce.
- Provides intensive support to enhance employability skills, with a focus on literacy and numeracy for work.
- Offers tailored subject packaging advice.
- Students will undertake vocational training.
- Students will be offered work experience opportunities.
- Available as a full-time or part-time option.
- Students will work towards attaining a Record of School Achievement (RoSA) certificate and full-time employment goals.

## EXPECTATIONS:

- Maintain strong attendance both at school and during workplace learning.
- Students are encouraged to undertake work experience opportunities.
- Utilise school supports to actively seek employment.

## BASE SUBJECTS:

- 2 Units of English

Plus:

- 10 Units of BDC or BEC
- At least 4 different subjects
  - Recommend that this includes 2 Units of Mathematics E.g. Maths in Trade, Mathematics Standard for Apprenticeships / Traineeships
- If a student wishes to select a reduced course load, please direct them to a specialist for Careers

Sample 1 - Building Industry	Sample 2 – Business Industry	Sample 3 - Fitness Industry
