

Over the holiday period some of our students were fortunate to travel to Europe as part of a combined schools tour that focused on extending their knowledge of key syllabus areas particularly in Modern and Ancient History. Congratulations to students for their exemplary conduct and many thanks to the accompanying teachers Mr Jennings, Mrs Scott and Ms Blanche for supporting students during this holiday period. Read more about the trip from a students perspective below.

CCJC Newsletter

Empowering young men and women to succeed

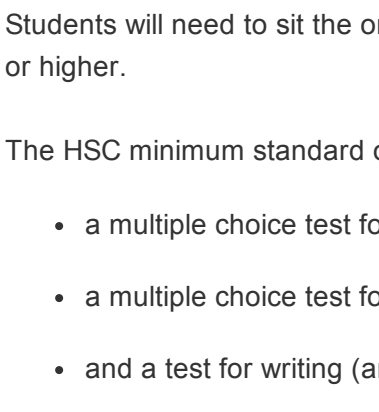

Keep up to date with all the latest happenings at Callaghan College Jesmond Senior Campus with the CCJC Newsletter.

Principal Report: Mr Roger Macey

We have had a wonderful start to Term 2. Congratulations go to Brianni Gedeon and Blayne Griffin for their outstanding leadership in the planning and presentation of ANZAC services both here at school and across the Newcastle region. Also many thanks to Head Teacher HSIE Mr Voorbij for his work with this team.

We recently held our Year 10 Subject Information Expo and the evening was a wonderful opportunity for students to visit the senior campus and to start planning their courses for the career paths that they are already considering as they transition to their final years of school. Thanks to staff of all campuses for supporting students and parents through this process and congratulations to all students for the careful and considered manner in which they completed preliminary course selection applications.

Last week our College Aboriginal students were invited to perform during the half time break of the Indigenous round of the NRL competition at the Knights stadium. The students were outstanding representatives of the college and looked, danced and sounded fantastic. A full crowd of 25,000 people acknowledged their outstanding performance and we are incredibly proud of their talent and their commitment. Thanks to Mr Alex Nean for coordinating this event and opportunity.

Year 12 Mid- Course Reports have been published and I am very impressed with so much outstanding work being completed by students and with the overall positive attitude to learning and maximising of opportunities that are being taken advantage of here on the senior campus. Year 11 Reports are currently being completed and will be published in Week 8.

Students in Year 11 and 12 recently attended the Careers Expo and the day provided another wonderful chance for students to consider their post school careers and to link their plans with their current courses. I remind all students that they should be maximising their use of study sessions and working with teachers and mentors to develop and maintain a home study plan that can help ensure they each achieve their personal best HSC.

Our exciting new building project is well under way and on track to be completed by the end of Semester 1 2020. A new temporary car park is also now open for students and taking pressure off parking in the surrounding streets.

I wish everyone an enjoyable term.

Mr Roger Macey
Principal

HSC Minimum Standards

From 2020, students in NSW will need to demonstrate a minimum standard of literacy and numeracy to receive their Higher School Certificate (HSC).

The minimum standard for the HSC 2020 is linked to NAPLAN 2017 results. Students who received a band 8 or higher in their Year 9 Reading, Writing and Numeracy NAPLAN tests have already met the standard and will not need to sit the minimum standard online tests.

Students will need to sit the online tests in the areas in which they did NOT score band 8 or higher.

The HSC minimum standard online tests are each 45 minutes long, and include:

- a multiple choice test for reading;
- a multiple choice test for numeracy;
- and a test for writing (around 500 words) based on a written or visual prompt.

These tests are based around the Australian Core Skills Framework and the minimum standard is set at level 3. This means that students who demonstrate the standard have the basic functional skills used in everyday life, for work and further study.

Students have two opportunities each year to sit these online tests, from Year 10 until Year 12. Students will also be able to complete the tests for up to five years after starting HSC.

There are practice tests available to complete at school and demonstration questions online on the NSW Education Standards Authority website: <http://educationstandards.nsw.edu.au/wps/portal/nesa/11-12/hsc/hsc-minimum-standard>

Students will be supported by the school to meet the minimum standard. Please contact the school if you would like more information.

If you believe your child has additional needs and will be eligible for extra provisions for the minimum standard tests, please contact Learning and Support Teacher Mrs Stephanie Kaul.

Important Dates

For all of our current events please check the [school website calendar](#).

For the remainder of this term:

- ✓ Term 2 Week 8: Year 11 Reports Published to Sentral Parent Portal
- ✓ Term 3 Week 3: Parent/ Teacher Interviews Wednesday 07AUG19
- ✓ Term 3 Weeks 5: Callaghan College P&C Meeting Monday 19AUG19 5:30pm - New members welcome
- ✓ Term 3 Weeks 5-6: Year 12 Trial Examination Period
- ✓ Term 3 Week 6: MyHSC@CC Careers Expo Thursday 29AUG19

Europe Trip 2019

The Europe tour 2019 was one of the best experiences we've ever had in our lives, and was definitely a once in a life time opportunity. Travelling through, and in-taking the various aspects of each place was absolutely amazing.

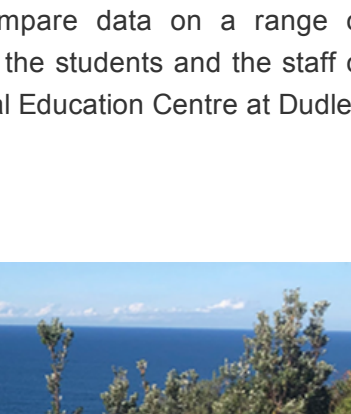

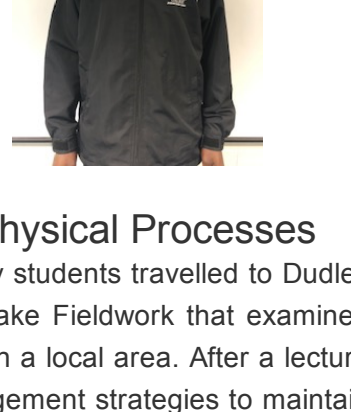

We started in Rome, visiting the Colosseum, Roman Forum, Trevi Fountain, Pantheon and several other major sites. Exploring the side streets in between the buildings was so cool, as well as the spectacular food. Sorrento followed, where we visited Pompeii and the Herclaneum. Our tour of Italy concluded with a trip to Mt.Vesuvius, where we felt as though we were on top of the world, viewing the vast beauty of Italy. We then visited Paris, staying in Glaciere, where we strolled the Champs Elysees, saw the Arc de Triomphe, took in the beautiful works in the Louvre as well as reaching the top of the Eiffel Tower. Paris was so beautiful, very much earning its name as the city of love.

From France we then headed to Normandy and visited the coastlines where the D-Day landings are, and the war memorial cemeteries, and paid our respects. Learning about war history was very interesting and reflective. We then travelled to Belgium and attended an ANZAC dawn service at Polygon wood, where the school captains from each school lay a wreath. Seeing the sun come up in the freezing cold was a beautiful way to commemorate ANZAC day. We then spent the rest of the day in Ypres, enjoying the waffles and chocolate it had to offer. We then went from Belgium to the Netherlands, arriving in The Hague on the national public holiday 'Kings Day'. We visited the Mauritshuis, home to the infamous painting of 'Girl with a Pearl Earring', and also having a tour of the Peace Palace, where the United Nations earned its title as the justice capital of the world.

We spent the last day in Amsterdam, enjoying a beautiful canal cruise and a visit to the Anne Frank House.

After 3 weeks, we returned tired, but much fulfilled. Having tastes of each place we went definitely motivates us to return to the landmarks we loved most – and positively gave us all the travel bug.

Student - Jade Gallogly

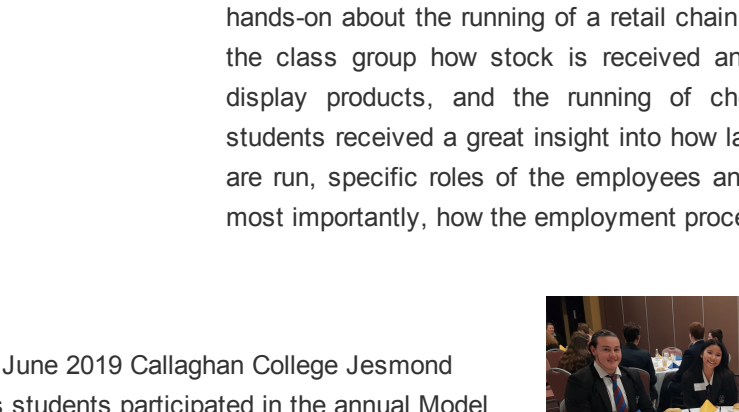

Australian Education Awards 2019

Australian Education Awards Finalist

The Australian Education Awards celebrate the outstanding achievement of the country's top performing schools, principals, department heads and teachers. Callaghan College has been selected as a finalist in the following categories:

- Best Use of Technology
- Best STEM Program

Follow the journey on social media using #AusEdAwards

Hospitality Students Testing their Skills

Year 12 and the accelerated Year 11 Hospitality students were put to the test recently with their major practical assessment event. Students were asked to prepare a 3 course menu for 20-30 paying customers. Both groups displayed exceptional skills and teamwork as they provided real world industry standard meals to customers. They were ably assisted by the Food and Beverage students who ran the restaurant and provided the meals to customers. Congratulations to all of the students involved.

Designing a Fairy Wonderland

Year 12 are progressing well with the design and manufacture of their Major Textile Project due for completion 19th August 2019. Students are working through In Design to develop their design portfolios. Year 11 are engaged in the design of their practical project. Many interesting concepts are taking shape from the brief fairy costume; fairy tale, fairy bread, fairy lights, fairy floss. These costumes will be on display Term 3 week 8/9. The Textiles and Design students are actively engaged in the construction of their Major Textile Project. Students are using InDesign for portfolios and are producing quality work.

Exploring Early Childhood

Year 12 are currently engaged in developing their own story books. A variety of interesting and creative styles are taking shape; from their own traditional fairy tale to sensory/educational styles. Their books will be on display during weeks 9 and 10.

Year 11 Exploring Early Childhood are completing the unit Child Growth and Development.

Food technology

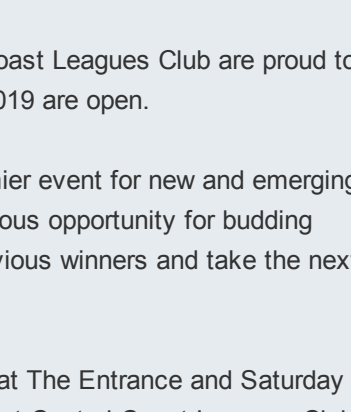

This term Year 11 Food Technology students are learning about the functional properties of food.

Students are conducting weekly experiments on nutrients such as proteins, carbohydrates and lipids. Below are examples of the functional properties of protein such as the denaturation and coagulation of eggs and salmon, as well as sensory and gelation experiments on agar.

SES Cadet Training

The SES Cadet Training Week enables students to develop their leadership, decision making and team work skills. Students visited the Mayfield Fire Station and SES Headquarters. The week finished with a field day at Carrington where teams of students were required to demonstrate their learning through completing a series of search and rescue activities involving flood boats, a collapsed house and cliff. The week was supported by 10 volunteers from the SES.

Uniform

With the change in seasons, students are reminded that the school uniform is available to purchase from the school uniform shop on Monday and Wednesday 12pm to 3pm. The full school uniform is outlined on the school [Website](#).

Understanding Biophysical Processes

The Preliminary Geography students travelled to Dudley earlier this term, to undertake Fieldwork that examined the biophysical processes in a local area. After a lecture on the land use and management strategies to maintain the area, the students were invited to use a variety of tools to measure and compare data on a range of conditions. Many thanks to the students and the staff of the Awabakal Environmental Education Centre at Dudley, for a wonderful day.

Rolling On

Aerosol cans are banned from schools. This is because their use can cause severe allergic reactions in a number of our students. Roll on deodorants are available and should be used at school. So start rolling!

Mobile Phones

Mobile phones are not permitted in the classroom. Please remember to restrict contact during breaks, with bell times available from the website.

Adventures through Story

Our new vibrant learning space has opened up the world of books to students who may have never had dreamed of enjoying a library before. With a focus on flexible learning, our students are able to find a place to suit their needs for collaboration, individual work through to the latest in technology.

More and more students are taking time to read. Reading experiences increase empathy, emotional intelligence and resilience. Books can change lives.

With all the information on the internet today our libraries are needed more than ever to assist students to locate reliable information.

On Friday the 7th of June in the Library@Lunch enjoy a hot chocolate whilst viewing the latest Book Movie Trailers.

UoN Jobs of the Future Expo

Students from Callaghan College Jesmond Senior Campus attended the UoN Jobs of the Future Expo earlier this term. The professional engineers and academic staff gave presentations focusing on opportunities in Engineering and Information Technology.

Mock Trial

Callaghan College Jesmond Senior Campus Mock Trial Team is currently preparing for their upcoming competition against Merewether High School. A huge congratulations goes out to the team for successfully winning all previous rounds.

12 Hour Ride for Beyond Blue

Thank you to all those who participated in the Beyond Blue Fundraiser which was run by our outstanding SRF team. The days aim was to promote awareness and support one of our ex-students in the ride of a lifetime. It was a great success with students raised just under \$600 for Beyond Blue and Ian Kidd's bike ride from Adelaide to Raymond Terrace. It was a long day starting at 5.30am and finishing just before 7pm. Many students gave their time and effort to keep the bikes going throughout the day. The BBQ was well received for those tired after a long bike ride and also by our supporters on the day.

Community Partnerships - Big W

On Monday the 25th of March, students from the Life Skill Work and the Community class were given a Q and A session by the store manager of Jesmond Big W. The morning ran very smoothly and students learned a lot; both from the insightful talk from the manager and the inquisitive questions asked by the students. This was accompanied by an in-store visit on Thursday the 4th of April, where students learned hands-on about the running of a retail chain. The 210 showed the class group how stock is received and stored, how to display products, and the running of checkouts. Overall, students received a great insight into how large retail chains are run, specific roles of the employees and employers, and most importantly, how the employment process operates.

MUNA

On Saturday 1 June 2019 Callaghan College Jesmond Senior Campus students participated in the annual Model United Nations Assembly (MUNA) Competition. Organised by Rotary and held at Muswellbrook Council Chambers, MUNA involves students from across the Hunter region acting as UN delegates for a nominated country and participating in a day long process of negotiation and debate, with the ultimate goal of passing or opposing 16 realistic UN resolutions.

Callaghan College Jesmond Senior Campus entered two teams this year: Liam Badier and Ruby Horton represented the interests of Jordan, while Oumala Phalanasy and Angela O'Loone represented the interests of India. Issues debated ranged from a moratorium on the use of the death penalty to the recognition of World Pulses Day.

Through the highly engaging event, the students had the opportunity to hone their negotiation, conflict resolution and public speaking skills, as well as their ability to think critically and react calmly in high pressure situations.

"Being able to participate in the Model United Nations Assembly has been by far one of the best opportunities I have had the privilege to experience. This opportunity allowed me to work collaboratively with other students across different schools, who each represented a different country in the assembly. It also allowed me to further expand on my knowledge of global issues. Being so grateful to have partaken in such an opportunity, I thoroughly encourage other students to participate if given the chance to do so. Special thanks you to the Rotary Club for sponsoring both teams that represented Callaghan College Jesmond Senior Campus in the MUNA and to Mr Mathew Jennings for supporting each of us on this endeavour" – Oumala Phalanasy, Year 11 Legal Studies

"Going to the Model United Nations Assembly was a great opportunity to experience working in a legal setting and working together with other people. Every school got to represent a country and work on real resolutions and problems occurring on a global scale. It was a really fun and rewarding experience and I definitely recommend other students to get involved and experience it for themselves. I am so grateful to have had the opportunity to participate and thank the Wallasey-Maryland Rotary club for sponsoring Callaghan and Mr Jennings for leading the team and supporting both teams." – Angela O'Loone, Year 11 Legal Studies

Sports Report

This has been another busy start to this term. A number of CHS events have been held with our students representing Hunter Region. We have had students compete at college and zone athletics with 3 students reaching regional level. The Jesmond students were given the opportunity to compete at the Waratah Campus athletics carnival. Around ten athletes attended with all students now being eligible to compete at the zone athletics carnival on the 3rd June.

Sporting Achievements

Our college soccer, tennis, touch football, hockey and softball teams have been participating in Hunter Region knockout competitions.

Cross Country
Hunter Cross Country: Joshua Corrigan, Amy Phillips and Zach Hawke will compete on Friday 31st May.

Zone Athletics

The Zone athletics team members: Amy Phillips, Phoebe Simmons, Chloe Gifford, Jemma Cox, David Baracic, Aaron West, Zach Hawke, Blake Kelly, and Connor Maclean will all compete at the upcoming event on 3rd June. We wish them all the very best of luck!

Boys Touch Football

The boy's college touch football team were defeated in the semi-final of Hunter Region by the eventual winners, Warners Bay. A great effort from a young team.

Tennis

The girl's tennis team played some close matches against their opposition but were narrowly defeated.

Girls Touch Football

The girl's college touch football team were runners up in the Hunter competition and will now play the winner of another region. Congratulations to the 5 Jesmond players (Hannah Cosgrove, Natasha Burt, Oaklee Tighe, Jaida Beale and Breanna Onell).

Swimming

NSWCHS Swimming: Callaghan College 16 Years Boys Relay team gained 3rd in state with Bailey Chapman our representative for the team. Bailey joined Jacob Findley in the Callaghan College All Age Relay team which gained 3rd place in state. Bailey and Jacob also recently represented NSWCHS at the NSW All schools water polo championships.

Rugby Union

Rugby Union: Corey Lewis competed at the NSWCHS Open Boys Rugby Championships where the Hunter team came runners up. Aiden Storrie and Hannah Cosgrove both selected in the Open Hunter Touch Football teams. They will compete at the NSWCHS titles in July.

Soccer

Boys soccer team defeated Newcastle High in a close game that went down to penalty shootout. They will now progress to round 4.

The girls soccer had a strong win against Toronto and then put up a good fight against a very strong Maitland Grossman side, defeated 6-3.

Hockey

Our college boys hockey team will compete this week while our college girls hockey team combined with a number of Wallasey students to enjoy a gala day. Unfortunately they out played by much stronger opposition.

Our sports coaching students have been helping out at a number of these event and doing a fabulous job.

LOWES

Let's tackle BRAIN CANCER

Warm up this winter while raising awareness and funds for brain cancer.

\$25 EACH

Mark Hughes Foundation - Beonies for Brain Cancer

today'scountry94.1FM

94.1FM ... where country lives

today'scountry94.1FM in conjunction with major sponsor Central Coast Leagues Club are proud to announce that entries for today'scountry94.1FM Brand New Star 2019 are open.

Now in its 10th year, Brand New Star is the Central Coast's premier event for budding and emerging country music artists and duos. Brand New Star provides a fabulous opportunity for new and young country music performers to follow in the footsteps of previous winners and take the next step towards a successful career in the music industry.

Preliminary heats will be held on Saturday 6 July at The Greens at The Entrance and Saturday 13 July at Club Wyong with the Grand Final on Saturday 20 July at Central Coast Leagues Club. Prizes include \$3,000 from Central Coast Leagues Club, recording time with Hillbilly Hut and marketing and career mentoring from Market the Music. The most recent winner was a college student from Newcastle. Prior to that Central Coast school students won two years in a row.

So why not enter? If you, a family member or perhaps someone you know would like to take their country music career to the next level, send an email to adming@todaycountry94.1fm.com for an entry form and information package. Entry is free but entrants must be 16 years or over. Entries close on Friday 21 June.
