

## 2025 YEAR 11 TRANSITION PROGRAM

# Subject Selection Interview

## Family Invitation to attend student interviews

Jesmond Senior Campus invites Year 10 students to attend a subject selection interview with staff from Jesmond and your current school campus during Term 3, Week 5.

We encourage students to bring a family member to be part of the discussion and support you in your senior subject selection choices. As part of your preparation, your careers teacher will recommend online tools and apps to help you identify your career goals and subject recommendations.

Remember to bring your Semester 1 report, ideas about what you would like to do when you finish school, your Year 9 NAPLAN results (if possible), and a list of any extra-curricular activities you might be involved in, such as sport, work, or social, cultural and community focused. This will help align your strengths, passions and learning goals.
