

2025 YEAR 11 TRANSITION PROGRAM

Invitation to Year 11 taster lessons

Jesmond Senior Campus invites all year 10 students to attend taster lessons at our campus during Term 3, Week 4.

With over 50 different subjects to choose from in senior learning, this is your opportunity to get a taste of some of the subjects you are interested in or want to know more about, before you choose your subjects in Term 3.

Students will need to use the Edval transition taster lessons link on Jesmond's website to choose lessons from a specially designed timetable. You will then receive your individualised timetable on your first day of taster lessons.

Follow the email instructions so you don't miss out on the classes you want!
