2025 YEAR 11 TRANSITION PROGRAM

Subject EXPO

Invitation to Year 11 Subject Selection EXPO

Jesmond Senior Campus staff host the annual Subject Selection Expo for Year 10 students and their families on 8 August.

This is your chance to find out more about available learning pathways at Jesmond: from achieving your HSC, getting an ATAR or early entry to tertiary education, to being ready for work through a school-based apprenticeship or traineeship.

Our teachers will be available after the Introduction sessions to talk to you in person about subject choices and how you can link this to your overall learning goals. Specialist learning areas will also be open for families to view our learning environments and resources.

Our Pathways team (pictured above) will also be available in the Hive Library to talk with you about your choices, options and how this can link with future opportunities in further study and careers.

8 August 2024
4:30pm-6:30pm

Information sessions in the Lecture Theatre at 5pm; 5:30pm; 6pm on new HSC learning pathways at Jesmond.

Jesmond Senior Campus
Lecture Theatre

Janet St, Jesmond.
